

666/XXX
Walking "Erect"

eight-page preview

by R. A. Hoffman

666-XXX-preview

Newton's work ended

Three stars changed™

Next step in evolution = walking "erect".

Three stars changed = "rod of iron".

The stars have been reached without leaving Earth.

The belt of Orion is not a belt.

Six million years ago man walked erect;

man is walking "erect" again today.

I AM's Here – It-All-Makes-Sense Here

Evolution Summed Up: All of the major dates in Earth's early history make up a progression that sums up evolution (see references):

<u>YEARS AGO</u>	<u>TIME SCALE</u>	<u>FIRST DATE OF</u>	<u>ORIGIN OF</u>
6,000,000,000	<i>Geological</i>	<i>Sun and solar system</i>	<i>Existence</i>
600,000,000		<i>Earliest vertebrates</i>	
60,000,000	<i>Archaeological</i>	<i>True primates</i>	<i>I exist/I am</i>
6,000,000		<i>Missing link</i>	
600,000		<i>Homo sapiens</i>	
60,000	<i>Chronological</i>	<i>Homo sapiens sapiens</i>	<i>Identity</i>
6,000		<i>Modern man</i>	

Modern Man: "I exist"/ "I am" = occurrence/ as per significance, this is to say that man is not an ape; Adam = first Modern man:

Rev. 13:16 - And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

Rev. 13:17 - And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Mark of the "Beast": Forehead/ hand = think/ do = scientific/ method; man is descended not from apes but from the mimic he once was; the scientific method is based on the role of the "ape" ("man that is as a beast"), that which is observed is repeated:

Rev. 13:18 - Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

666: Science understands human behaviour only in terms of conditioned behaviour; 600/60/6 = in a rut/ on the clock/ routine; programming vs programing = "dogma-eat-dogma" world; time "ends" when "dating" "begins"; yesterday's "walking erect" = today's walking "erect"; word processing is becoming a science as did data processing at one point in time, dp ~> wp = paradigm shift; this book begins with a "Bang".

XXX

Big "I AM": Seven numbers in progression = seven levels of "heaven"; first "level of heaven" = big "I AM" = width of present of ± 6000 years:

"Big Picture": 0-date = halfway point in lifespan of sun; midpoint in time = balancing point = "Day of Judgement"; "big picture" = take step back in time:

"Big Crunch": "Beginning"/ "end" = past made present; the end of the beginning is as the beginning of the end; Big Bang (666) = science, "Big Bang" (XXX) = sex; science explained in terms of sex = all time colliding with itself = "Big Crunch":

John. 1:1 - In the beginning was the Word, and the Word was with God, and the Word was God.

XXX: This theory begins with a systematization of the theory of evolution and then makes the switch from data processing to word processing as a means of going beyond the earliest date in Earth's early history in order to get in touch with that origin at which is found that which is "God"; wp as a science is as "the Word" = "God" = words processed in terms of their meaning; 666 ~> **XXX** = quantum leap.

Time "Shortened"

Kepler's Third Law: Kepler's third law for small m: $P^2 = a^3$:

$$P^3 = \textcircled{a^3} \textcircled{P} = \textcircled{\text{space}} \textcircled{\text{time}}$$

Space-Time: Multiplying both sides by P: $P^3 = a^3P = \text{space-time}$; $a^3 = \text{space}$, $P = \text{time}$, P^3 has the units of time cubed; there is no space in space-time:

"Space"	length	width	depth
Time	past	present	future
"Matter"	I was	I am	I will be

↑
width of present = height of awareness
Big I AM = ±6000 years

"Big Time": I was / I am / I will be = "R/E/D" = reach of time/ extent of time/ duration of time; big "I AM" = "big time":

Rev. 21:16 - And the city lieth foursquare, and the length is as large as the breadth: and he measured the city with the reed, twelve thousand furlongs. The length and the breadth and the height of it are equal.

"Mad Scientist": "Furlong" = long story; epic = long story made short; a horse is as the carrier of one who has a cause; "rider"/on "horse" = apocalyptic; "rider" on "red horse" = "mad scientist":

Matt. 24:22 - And except those days should be shortened, there should no flesh be saved:

Time "Shortened": $x^3 = \text{"box"}$, $t^3 = \text{think outside the "box"}$; time will tell = no "telling" = no "mystery", days shortened = change "scale" of "telling"; flesh saved = carnal flesh; $x^3 = \text{all ways}$; $t^3 = \text{always} = \text{keep up with the times}$; lumping together the coordinates x, y, z, t creates an uncertainty according to the Heisenberg Uncertainty Principle; uncertainty does not shorten time.

"Window Opened"

"Square Hat": "Apple" = learning; "square hat" = graduate; dp/wp = "work horse"/ "high horse" = doer/ do-gooder = "square"/ "saint":

1260: t = time; t^3 = the times; $2t^3$ = the times chronicled; $\sqrt[3]{2} = 1.2599 \approx 1.26$ = Higg's boson, $1260 = 3.5 \times 360$ = time, times and a half = basis of Bible chronology; $1.26 \approx 1.08^3$; 108 = sacred number in Buddhism:

Rev. 6:2 - And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer.

"Walking Erect": "White horse" = stick with the Bible; "pale horse" = stick to the Bible; walking "erect" = morally upright = "Freudian slip":

Rev. 21:17 - And he measured the wall thereof, an hundred and forty and four cubits, according to the measure of a man, that is, of the angel.

144,000: 12×12 = "area" of "square" = "classroom"; 10^3 = "spin"; $12^2 \times 10^3 = 144,000$ = "spin doctor"; "Sphinx" = spin-XXX; "spin" "spun" = "gold":

Rev. 22:13 - I am Alpha and Omega, the beginning and the end, the first and the last.

"Window Opened": Time "reversed" looks into the past; evolution "reversed" sees into the future; look/see = "window" "opened"; every story has two sides; walking erect/ walking "erect" = brain in head/ brain in pants, "Let the saints go marching in", a "square" is as one who goes by the "book".

"Water of Life"

"Quantum Leap": Where there's water there's life; where there's the "water of life" = there's "intelligent life"; frog = first sign of intelligent life; 666 ~> XXX = "quantum leap":

V-Shape: "Frog" "kissed" ~> "Prince" = human nature learning from Nature without becoming Nature; V-shape = divine the divine; 666/XXX = smart/ is the new sexy = "satisfied"/ in the mind:

Gen.1:2 - And the earth was without form, and void; and darkness was upon the face of the deep.

"Void"/"Deep": "Black hole"/ "bottomless pit" = "void"/ "deep"; $t^3 / 2t^3 = 2B$ or not $2B$ = live it down/ live it up; life "begins" when living "stops":

"Water of Life": "H₂O" = "water of life" = women bonded with men in pairs; "Eve"/ "Lilith" = Earth/ stars = "hardener"/ "stiffener"; "H-O-H" = two "heads" are better than one = twin "warp drives" = "Prince" on "wheels"; frog-shape = "brain in pants"; according to rabbinic tradition, Adam was married to Lilith before he married Eve; no "Lilith" = no "stars" = "fall of man", "HO" = "harlot" = "Babylon", prostitution is as a "place-holder"; H-O makes living easy; H-O-H makes life easy = holy of holies; H/S = "HIS".

"Cosmic Serpent"

"R.I.P.": "Eat" "big apple" = "split in two"; "mountain of faith" is as the word "mountain" come alive; "R.I.P." = bite the "big one":

"Big Smile": As time goes by things happen; and, "things" "happen" as time goes by; ingest/ digest = fact/ after the fact; "chew the fat" = "grind"; truth = a "square" (goes by the book); truth² = a "square" squared (as in $E = mc^2$); "big smile" = two front "teeth":

Rev. 12:7 - And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,

Rev. 12:8 - And prevailed not; neither was their place found any more in heaven.

"War in Heaven": Doer vs doer = do-gooder; do-gooder vs do-gooder = "war in heaven"; "dragon" = drag-on; war of words:

Rev. 19:11 - And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.

"White Horse": Righteous = faithful despite **XXX** and yet true because of **XXX**: [**Axx** = "dragon" "pooped out"]:

Rev. 12:9 - And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

"Cosmic Serpent": The dragon is omni, the worm is potent, sum of the two = "dragon" + "worm" = "cosmic serpent" = omnipotent = "God" = "I AM"; this world = "take on"; next world = "take off"; "snake" bites own "tail" = "last word".

Newton's Work Ended

"Big Apple": "Apple" = knowledge; "big apple" = entire planetary system = all knowledge "rounded out":

"Big Apple" = "Moon" Spit in Two

Axx: Outer planets/ inner planets = "gas"/ "grit"; AB = "ass-teroid belt" = dividing line; **Axx** = head in the "clouds"/ mind in the "mud"; "Talmud" = tall/ mud; Muhammad purportedly split the "moon" with his little finger:

2π-orbit:

- Kepler's 3rd law: $P^2 = a^3$.
- Special case: assume $P = 2\pi a = \text{circumference of a circle}$.
- Call it 2π-orbit; $(2\pi a)^2 = a^3$; $a = (2\pi)^2 = 39.4784 \text{ A.U.}$
- 2π-orbit's orbital period = 248.05 years; $(248.05)^2 = 39.4784^3$.
- Pluto's orbital period = 248.00 years; $(248.00)^2 = (39.4731)^3$.
- The 2π-orbit has a period almost the same as that of Pluto.

2π-Orbit: On the 2π-orbit, 248 years = 248 astronomical units; distance is as a measure of time; measured steps = in step with the times = time marches on; the 2π-orbit is as the orbit of Pluto rounded out:

Matt. 24:36 - But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only.

Newton's Work Ended: Planet = "god"; orbit = "ruler"; "Pluto" puts an "end" to the solar system; 2π-orbit puts an "end" to the "end" of the solar system; "Pluto" = "underworld"; "march ass" = keep up with the times; Newton's *Method of Fluxions* was published in 1736; 1736 ~> 1984 = 248 years; incidence is the cosmos; coincidence rules the cosmos; the orbit of Pluto reigns, the 2π-orbit rules; page 8 explains the Qur'an.

Judgement Seat

"Moon Split in Two": Mooning butt = "moon split in two" = disagreeable thing spoken of in the Qur'an 54:1-3:

"When the moon is split in two ... the day of judgement approaches and the Summoner will summon them to a disagreeable thing."
(Magical Blend Magazine, issue #48, p. 68, Oct. 1995).

"Full Moon": The moon has the appearance of the yin/ yang symbol when viewed from higher latitudes; "moon" = romance; "full moon" = show them the "door"; "judgement" upheld = universal upliftment:

"Mooning Butt": "Gas"/ "grit" = "moon" in actual fact "split in two"; "heart shape" instantly puts an "end" to all antisocial behaviour; ascendance = ass-endance:

Rev. 6:16 - And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:

Rev. 6:17 - For the great day of his wrath is come; and who shall be able to stand?

Rev. 7:14 - And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb.

Judgement Seat: "Mountains"/ "rocks" = cursing/ swearing; red blood"/ "blue blood" = "anger"/ "management"; "blood" = doctrine, "made white" = "swear words" "cleaned up", everything will come out in the "wash"; "stand" = walk "erect"; "hide" from the "wrath of the Lamb" = scared to "death"; "goodbye cruel world" has a 'hole new meaning, Newton's seat = "judgement seat", all justice is poetic.

References

Anthropic Principle: Anthropic - *pertaining to mankind or to the period of mankind's existence". The progression was discovered in 1974. These are the references that were used:

-- "The theory of stellar evolution indicates for the sun a probable age of 5 or **6 billion years**. Altogether, an age of 5 or **6 billion years** for the solar system seems inescapable." "The Astronomical Universe" - Wasley S. Krogdahl, 1962, p. 514. Also: "Astronomers believe, from theories of stars and galaxies, that the Milky Way galaxy is about 10 billion years old, and that the sun formed about **6 billion years ago**." - "Evolution of the Earth", Robert H. Dott and Roger L Batten, 1971, p. 89.

-- "With the...Cambrian period a sort of baseline is drawn in the history of the earth - a baseline at which the fossil record of living things begins [**600 million years ago**]. The Cambrian period has left us with an especially rich trove of fossils, in sharp contrast to Precambrian times." - "Life Before Man", Time-Life Books, 1972, p. 29. The date that this source refers to can also be found in the Funk and Wagnalls' Hammond World Atlas", ©1976, p. 172.

-- "**Sixty million years ago**, when all mammals were rather primitive, one group changed...This group of mammals has since evolved into the modern primates". - "Human Origins", Richard E. Leakey, 1982, p. 9.

-- "The Homo line (of man) was born alongside its australopithecine cousins in Africa, five or **six million years ago**." - "Origins", Richard E. Leakey & Roger Lewin, 1977, p. 121.

-- "Homo sapiens, genus and species to which all modern human beings belong and to which are attributable fossil remains of humans perhaps **600,000 years old**." - Encyclopaedia Britannica.

-- "Applying a rough time scale, we can say that the step from erectus to sapiens occurred **around half a million years ago**, and the refinement to sapiens **perhaps fifty thousand years ago**." "Origins", Richard E. Leakey and Roger Lewin, 1977, p. 122.

-- "Potters' wheels are known to have been in existence at least **6,000 years ago** and it is possible that wheeled transport began equally far back." "Works of Man" , Ronald W. Clark, 1985, p. 11.

Chaos Theory: According to the theory of complexity a large system has a way of spontaneously organizing itself whether the system be in Nature or in human nature. Post-empirical science = the measurements have already been taken. The progression independently validates radioactive dating techniques.
